Business Profile

Your Vision, Our Expertise!

Company Overview:

Orbicon Projects is a dynamic player in the construction and project management sector, delivering excellence in every project we undertake. With a strong educational foundation in Civil Engineering from the prestigious University of Witwatersrand, our visionary Director, Abdullahi Omar, brings a wealth of knowledge and expertise to our company.

Company Director:

Abdullahi Omar, our esteemed Director, is a highly qualified and experienced professional in the field of Civil Engineering. He earned his Civil Engineering degree from the University of Witwatersrand, laying a solid educational foundation for his career.

Abdullahi's leadership is characterised by innovation, strategic thinking, and a commitment to excellence. His extensive expertise spans various facets of construction and project management, making him a valuable asset to Orbicon Projects. Under his guidance, Orbicon Projects has flourished as a forward-thinking construction company, dedicated to delivering outstanding results to our clients.

Mission and Vision

Mission

At Orbicon Projects, our mission is to redefine excellence in construction and project management. We commit to delivering innovative, sustainable, and cost-effective solutions that align with our clients' values. Through unwavering dedication to professional standards, stakeholder engagement, and resource management, we aim to bring visions to life, positively impact communities, and build a better future for all.

Vision

Our vision at Orbicon Projects is to be the foremost partner in progress for construction and project management. We strive to continually exceed industry standards and set new benchmarks for quality, efficiency, and sustainability. Through collaborative partnerships and a commitment to excellence, we aim to leave a lasting legacy of transformative projects that inspire and benefit society.

*Orbicon Projects
aspires to be a beacon
of excellence, driving

delivering unparalleled
value in the
construction and
project management
sector.*

Sector Focus

Our core sectors include:

Property Development: We excel in creating innovative and sustainable property development solutions that leave a lasting impact on communities.

Building and Renovation: With a meticulous eye for detail, we breathe new life into older buildings, transforming them into modern, functional spaces.

Steel Structures: Our expertise extends to designing and constructing robust steel structures built to withstand the test of time.

Earthwork: From land preparation to excavation, we ensure that every project's foundation is solid and well-prepared.

Infrastructure Management and Maintenance: We offer comprehensive infrastructure management and maintenance services, ensuring the longevity of critical assets.

Orbicon Projects specialises in construction project management and delivery, offering a wide range of services to meet diverse client needs.

Key Projects:

2023 Project - Cape Town Mall Development for Group 50 Investment Trust:

Location: Cape Town

Project Description: A 2000sqm, 3-level mall development.

Orbicon Projects Role: From inception to completion, Orbicon Projects has been the driving force behind this project. Our involvement encompasses design, construction, interior finishes, fire detection system installation, and ventilation systems.

Total Cost: ZAR 3 Million

2020-2021 Project - Residential Conversion for Akmal Property Trading:

Project Description: Transformation of a 3-level office building into residential apartments, with the first level serving as commercial space.

Total Cost: ZAR 2.5 Million

2021 Project - Maple Hall Cape Town Hardware Store Space Reservation

2022 Projects - Nasfas Compliant Student Accommodation in Johannesburg

2022 Project - Warehouse Roofing Project Management and Delivery in Johannesburg

Our Commitment:

Sustainability

We integrate sustainable practices into every project, ensuring that our work positively impacts the environment and communities.

Stakeholder Engagement

Effective communication and collaboration with all stakeholders are central to our approach, ensuring the project's goals are met efficiently.

Cost-Effective Solutions

We are committed to providing cost-effective solutions without compromising on quality, ensuring that our clients receive the best value for their investments.

Upholding Professional Standards

We adhere to the highest professional standards and a strict code of conduct, maintaining integrity and ethics in all our dealings.

Minimising Wastage and Resource Management:

We actively minimise wastage and manage resources efficiently, contributing to both cost savings and sustainability.

At Orbicon Projects, we deliver projects that align with our client's values and priorities. We understand that our clients often belong to the public sector, which places a strong emphasis on:

Collaborative Partnerships for Success

At Orbicon Projects, our commitment to excellence extends beyond our in-house team. We recognise the importance of collaborative partnerships to deliver successful construction and project management solutions. Our ability to seamlessly integrate and manage construction providers, engineers, electricians, and delivery partners is a key factor in our success.

Managing Partnerships:

Effective partnership management is a cornerstone of our approach. We maintain open lines of communication with all our partners, fostering a collaborative environment where ideas are shared, challenges are addressed, and solutions are found together. Our project management team excels in coordinating the efforts of diverse partners, ensuring that every aspect of the project aligns with our client's vision.

By nurturing these collaborative relationships with construction providers, engineers, electricians, and delivery partners, Orbicon Projects ensures that every project we undertake benefits from a wealth of expertise and a commitment to excellence. Together, we create innovative, sustainable, and successful solutions that leave a lasting impact on communities and clients alike.
